

United States - Registration Updates - As of 06/7/2021

Jurisdiction	Cycle Time by Transaction		Status
	Renewals, Duplicate Reg, Replacement Plates	State Transfer / New Plates	
Alabama	26-35 business days	26-35 business days	Initial Plating Process: In order to receive new plates after delivery, drivers will need to go to the local county office to complete a VIN inspection as part of the process. Wheels coordinates with a vendor to pay all the jurisdictional fees up front and sends payment to the local county based on the address listed the Wheels system. Drivers will be sent a letter once payment has been accepted by the county to schedule their appointment for the VIN inspection. Penalties may apply if the inspection is scheduled more than 10 days after the county has received the paperwork. Registration Renewals: In Alabama, renewals are processed by the first letter of the registered owner. As a result most vehicle renewals are processed during the month of November if owned by Wheels.
Alaska	6-10 business days	36-60 business days	No delays in processing reported.
Arkansas	16-25 business days	16-25 business days	No delays in processing reported.
Arizona	16-25 business days	26-35 business days	Renewal transactions are delayed 6-8 weeks. Wheels is continuing to work with the state officials to review all outstanding registration requests and will expedite to drivers upon completion.
California	1-5 business days	16-25 business days	Wheels processes in house for passenger plates and registration renewals. All inspections need to be completed and have passed before new plates or registrations will be sent out. Please allow 5 business days for processing plus time to mail once inspections have been completed. As California continues to work through their backlog - driver's may receive a 60 day temporary plate while the state is completing the initial plating process. Please have the driver attach the temporary plate until the new plate is issued.
Colorado	16-25 business days	26-35 business days	No delays in processing reported.
Connecticut	1-5 business days	11-15 business days	Wheels processes in-house for passenger plates and registration renewals. All inspections need to be completed and have passed before new plates or registrations will be sent out. Please allow 5 business days for processing plus time to mail once inspections have been completed.

Currently processing work received Nov 2020.
New Mexico	11-15 business days	16-25 business days	When possible renewals are processed online and typical cycle time is 10-15 business days plus time to mail. If not possible online, transactions are being held till MVD reopens in early December. New plates and state transfer requests are being processed in 10-15 business days and sent with expedited mail to the applicable address on file in Wheels system. DMV offices scheduled to reopen 12/7 after a brief closure.
New York	1-5 business days	1-5 business days	Wheels processes in-house for passenger plates and registration renewals. All inspections need to be completed AFTER plates are issued or the registration renewal can be blocked from processing. Please allow 5 business days for processing plus time to mail once inspections have been completed.

			Wheels can process in house for passenger plates and registration renewals once inspections have been completed for Wheels owned leased units. Turn around time is 5 business days, plus time to mail. Title issuance is taking 5-6 months to complete as the state continues to work on requests in aging order. Wheels continues to stay close to our contacts at the state to manage outstanding requests. If a state transfer is needed an NC title will be required before plates can be issued in the new plate state. Please continue to submit a request, and Wheels will take action once the NC title has been received. The state is currently working on requests received in January 2021.
North Carolina	1-5 business days	6-10 business days	
North Dakota	1-5 business days	16-25 business days	No delays in processing reported.
Ohio	11-15 business days	16-25 business days	Title processing taking an extra 14-15 weeks to process. Currently processing work received Nov 2020.
