

Toll Authority Updates as of 06/15/2020	
Tolling agencies are beginning to resume normal operations however some walk-in customer service centers remain closed or are by appointment only.	
State	Authority Status
California	
Bay Area Toll Authority	<p>Express lane tolls on Bay Area freeways will resumed on June 1, 2020. Cash is not being collected at Bay Area bridges as of 3/21/20. This is to protect toll-paying customers and toll collectors from the risk of exposure to the coronavirus during the current public health emergency. You can use FasTrak to pay your toll. If you do not have FasTrak, you will receive a bill in the mail for just the amount of your toll. If you have FasTrak, this change does not apply to you.</p> <p>VIOLATIONS PRIOR TO MARCH 21 Violations received prior to March 21 will not incur additional late fees due to COVID-19. FasTrak is temporarily delaying additional violation penalties and delaying sending unpaid notices to DMV hold or collections. Both of these will go back into effect at a later date, so you may wish to pay your violation before additional penalties are reinstated. Golden Gate Bridge travelers will continue to receive penalties. https://www.bayareafastrak.org/en/guide/GGBridgeToll.shtml</p>
The Toll Roads	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.
Los Angeles Metro Transit	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.
The Orange County Transportation Authority	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.
South Bay Expressway	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.

Colorado	
ExpressToll Way	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.
Northwest Parkway	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.
E-Zpass Region	
E-ZPass Delaware	Cash toll lanes on the four Delaware River Port Authority (DRPA) bridges are now open. Toll collectors will wear face coverings and stand behind a protective plastic shield in the toll booth window for safety.
E-ZPass Maine	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.
E-ZPass Maryland	All-electronic (cashless) tolling remains in effect statewide until further notice. Motorists who usually pay with cash at the John F. Kennedy Memorial Highway (I-95), Fort McHenry Tunnel (I-95), Baltimore Harbor Tunnel (I-895) and Nice/Middleton Bridge (US 301) will be mailed a Notice of Toll Due, a process that will resume 30 days after the state of emergency is lifted. For these facilities that normally accept cash, the toll due notice will reflect the cash toll rate as a temporary measure applied during the state of emergency only.
E-ZPass Massachusetts	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.
E-ZPass New Hampshire	Cash tolls are open, no changes implemented to date. For drivers without a toll account, tolls can be paid online within 7 days of occurrence: https://www.ezpassnh.com/postpay-trip
E-Zpass New Jersey	Cash toll collection has resumed on the New Jersey Turnpike and Garden State Parkway. The collectors will wear masks, gloves and plastic face shields for safety.
E-ZPass New York	Cash toll collection has resumed on the New York State Thruway. Drivers can now receive a toll ticket upon entry and be able to pay their tolls with cash when exiting the thruway. The Thruway Authority also announced new enhanced safety measures in place, including plexiglass at cash toll lanes to protect toll collectors and drivers. Toll collectors will also wear face coverings and sanitize workstations throughout their shifts.

E-ZPass Ohio	Cash tolls are open. Safety measures have been put in place to protect toll collectors and drivers.
E-ZPass Pennsylvania	In response to the COVID-19 pandemic, the Pennsylvania Turnpike Commission (PTC) will no longer accept cash and credit cards on its mainline ticket system. All tolls will be assessed electronically via E-ZPass or the PA Turnpike TOLL BY PLATE program as vehicles travel at posted speed limits through tolling points.
E-ZPass Rhode Island	<p>Most cash tolls still remain open however, the Rhode Island Turnpike and Bridge Authority is announcing that due to reduced overnight traffic due to the effects of COVID-19, the toll booth cash collections on the Newport Pell Bridge going westbound will temporarily be suspended from 9 p.m. to 6 a.m., effective Thursday, March 26, until further notice.</p> <p>The westbound toll booth (heading toward Jamestown) will be open for cash collections during the day from 6 a.m. to 9 p.m. However, from 9 p.m. to 6 a.m., RITBA will close the toll booths and send all traffic through the open road tolling (ORT) lane. The tolls will be collected utilizing the existing open road tolling (ORT) technology.</p>
E-ZPass Virginia	Cash tolls are open. Safety measures have been put in place to protect toll collectors and drivers.
E-ZPass West Virginia	Cash tolls are open, no changes implemented to date. For drivers without a toll account, tolls can be paid online within 15 days of occurrence: https://ezpasswv.com/UnpaidTollTripPayment.aspx
I-PASS Illinois	<p>As a precaution against the spread of the coronavirus, all toll collection is being handled via I-PASS, E-ZPass and the Tollway's online payment portal. In addition, our in-person Customer Service Centers and the Illinois Tollway Customer Call Center have closed until further notice.</p> <p>During this time, existing violations have been placed on hold, and grace period tolling has been extended.</p>
North Carolina QuickPass	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.

Indiana Toll Road	All-Electronic Toll Road, no changes implemented to date. Violation notices will be mailed to the registered address of the vehicle.

Puerto Rico	
Auto Expreso	All-Electronic Toll Road, no changes implemented to date. Carretera de Peaje Totalmente Electrónica, sin cambios implementados hasta la fecha.
Canada	
407ETR	Beginning March 25, 407ETR will temporarily suspend interest charges on unpaid balances owed. The Government of Ontario will apply the same for the Provincially-owned Highways 407, 412 and 418. Collection efforts on overdue balances will be paused, as well as the issuing of new notices of plate denial. À compter du 25 mars, 407ETR suspendra temporairement les intérêts sur les soldes exigibles. Le gouvernement de l'Ontario appliquera la même mesure pour les autoroutes 407, 412 et 418 appartenant à la province. Les efforts de recouvrement des soldes en souffrance seront interrompus, de même que l'émission de nouveaux avis de refus de renouvellement ou d'attribution de plaques d'immatriculation en raison de péages et frais connexes impayés.
