**Wheels, Inc – Limited Warranty Details**

If included in your purchase, the Silver Limited Warranty is in effect for the first 3 months or 3,000 miles (whichever comes first). Your Limited Warranty paperwork will be mailed to you soon after the policy is issued. The deductible for each Limited Warranty policy is $150. The policy pays for approved parts and labor on covered repairs. This program is available anywhere in the United States or Canada.

**ROADSIDE ASSISTANCE**

For Roadside Assistance call 1-866-603-5420

Offers $100 per occurrence that provides tow service, flat tire assistance, fluid delivery, lock-out assistance, battery jump-start and other common travel dilemmas. Benefit that is available 24 hours a day, 365 days a year.

**TERMS**

This Silver Limited Warranty shall end 3 months from the agreement date or when 3,000 additional miles are registered on the odometer, whichever occurs first.

**DEDUCTIBLE**

The per visit deductible for every Silver Limited Warranty is $150

**FILING A CLAIM**

You may take your vehicle to any favorite or local licensed repair facility. If you need a recommended repair facility in your area, please call 1-800-621-2130

Inform the repair facility that you are a Silver Limited Warranty policy holder and provide the repair facility with your contract number as well as the administrator’s phone number (1-800-621-2130) in order to gain authorization for repairs (**All repairs must be authorized by the Administrator prior to beginning any repairs covered by the Silver Limited Warranty**).

Once covered repairs are approved, the repair facility will be paid directly via a corporate credit card and the agreement holder must pay their deductible and any **uncovered** expenses to the repair facility.

**COVERAGE**

The following parts are covered under this Silver Limited Warranty. Parts not listed are not covered.

1. **ENGINE - Gasoline Engine** - Cylinder block, and all internal lubricated parts including: crankshaft, rod and main bearings, cam bearings, expansion (freeze) plugs, connecting rods, wrist pins, pistons, piston rings, camshaft, cam tower, lifters, cylinder head, valves and guides, valve springs, rocker arms (cam followers), pushrods, timing chain housing (cover), timing chain and sprockets, timing belt and pulleys, timing belt tensioner, intake and exhaust manifolds, flywheel, balance shafts, harmonic balancer and retainer bolt, crankshaft pulley, valve covers, oil pan, oil pump and pressure relief valve, engine oil cooler hoses, oil filter adapter/housing, engine oil sending unit, engine mounts, water pump, temperature sending unit, thermostat and housing, fuel supply pump, vacuum pump, dipstick and tube, fasteners for the components listed above.

**Turbocharged/Supercharged/Rotary/Diesel/Enhanced Engines** - All of the above listed parts or equivalent plus: turbocharger, waste gate controller, intercooler, hard lines, compressor, clutch and pulley, bypass valve, injection pump, lines and nozzles.

2. **TRANSMISSION - Automatic** - Case and all internal lubricated parts including: oil pump, valve body, torque converter, vacuum modulator, governor, main shaft, clutches, bands, drums, gear sets, bearings, bushings, sealing rings, TV cable,
solenoids, electronic shift control unit, transmission mounts, cooler, cooler hoses and hard lines, dipstick and tube, fasteners for the components listed above.

**Standard** - Case and all internal lubricated parts including; main shaft, gear sets, shift forks, synchronizers, bearings, bushings, fasteners for the components listed above.

**Transfer Case** - (4X4 vehicles) - Case and all internal lubricated parts including; main shaft, gear sets, chain and sprockets, bearings, bushings, mounts, fasteners for the components listed above, electronic and vacuum engagement components.

3. **FRONT WHEEL DRIVE** - Final drive housing, and all internal parts including; carrier case, gear sets, chain and sprockets, bearings, bushings, axle shafts, universal joints, front hub bearings, rear hub bearings, locking hub assemblies (4X4), drive shaft support, fasteners for the components listed above.

4. **REAR WHEEL DRIVE** - Drive axle housing, and all internal lubricated parts including; carrier case, gear sets, bearings, bushings, limited slip clutch pack, axle shafts, front hub bearings, rear hub bearings, propeller shafts, universal joints, drive shaft support, fasteners for the components listed above.

5. **STEERING** - Housing/case and all internal lubricated parts including; rack and pinion equipped valve assembly, sector shaft, rack mounts and cushions, inner rod ends and bellows boots, speed sensor or steering gear equipped pitman shaft and valve assembly, sealing rings, bearings, bushings, pitman arm, center link, tie rods, idler arm, power steering pump and pulley, electric power steering motor, fluid reservoir, pressure and return hoses, cooler and hard lines, power cylinder assembly, steering main and intermediate shafts, coupling, fasteners for the components listed above. (Does not include “rear wheel steering” components.)

6. **FRONT SUSPENSION** - Upper and lower control arms, bump stop cushions, control arm shafts, torsion bar mounts and bushings, upper and lower ball joints including: dust boots, steering knuckle (spindle), wheel bearings and seals, stabilizer shaft, stabilizer linkage including; mounts and bushings, strut rods and bushings, king pins, fasteners for the components listed above.

7. **BRAKES** - Master cylinder, assist booster, wheel cylinders, combination valve, disc brake calipers (and rear caliper actuators), hard lines and fittings, backing plates, springs, clips and retainers, self-adjusters, parking brake linkage and cables, fasteners for the components listed above.

8. **SEALS AND GASKETS** - All seals and gaskets on the assemblies listed above.

9. **ELECTRICAL** - Alternator, voltage regulator, front and rear windshield wiper motors and delay controller, starter motor and drive, starter solenoid, wiring harnesses, manually operated switches (specifically turn signal, headlight, dimmer, and wiper switches), mechanically actuated switches (ignition, brake light and neutral safety switch), electronic fuel injection system (including all input/sensors & output/control units, except EGR valve, related to the fuel injection system), electronic ignition module, distributor and coil, engine management control unit, knock sensor and oxygen sensor.

10. **AIR CONDITIONING** - Compressor and mounting brackets, clutch and pulley, condenser, evaporator, orifice tube, POA valve, accumulator, temperature control programmer, high/low pressure cutoff switches, high/low pressure hoses, pressure cycling switch, thermostat, drier, temperature control head, o-ring seals, gaskets, fasteners for the components listed above, and Freon refrigerant if necessary in conjunction with the repair of the components listed above.

What is Not covered under my Silver Limited Warranty?
-Body structure and parts, aftermarket equipment put on the vehicle, normal maintenance items, normal wear and tear items, abuse, misuse and lack of maintenance.

**MAINTENANCE**
-The owner of the vehicle and the Silver Limited Warranty must maintain their vehicle according to the schedule in their owner’s manual.

**PLEASE SEE YOUR SILVER LIMITED WARRANTY CONTRACT FOR ALL TERMS AND CONDITIONS.**

For questions regarding Warranty program, you may contact Wheels at 800-937-7823
Wheels, Inc – Extended Warranty Coverage Details

The Vehicle Service Contract is in effect for the purchased number of months or additional miles (whichever comes first). The deductible for each Vehicle Service Contract is $50. The policy pays for approved parts and labor on covered repairs. This program is available anywhere in the United States or Canada.

ROADSIDE ASSISTANCE
For Roadside Assistance call 1-866-603-5420
$100 per occurrence that provides towing, flat tire assistance, fluid delivery, lock-out assistance, battery jump-start and other common travel dilemmas. This benefit is available 24 hours a day, 365 days a year.

TERM
The Vehicle Service Contract shall end after the number of purchased months or additional miles are registered on the odometer, whichever occurs first.

DEDUCTIBLE
The per visit deductible for every Vehicle Service Contract policy is $50

FILING A CLAIM
You may take your vehicle to any favorite or local licensed repair facility. If you need a recommended repair facility in your area, please call 1-800-621-2130

Inform the repair facility that you are a Silver Limited Warranty policy holder and provide the repair facility with your contract number as well as the administrator’s phone number (1-800-621-2130) in order to gain authorization for repairs (All repairs must be authorized by the Administrator prior to beginning any repairs covered by the Silver Limited Warranty).

Once covered repairs are approved, the repair facility will be paid directly via a corporate credit card and the agreement holder must pay their deductible and any uncovered expenses to the repair facility.

COVERAGE

SILVER COVERAGE:
The following parts (ITEMS 1-10) are covered under this SILVER level Service Contract. Parts not listed are not covered.

1. ENGINE - Gasoline Engine - Cylinder block, and all internal lubricated parts including; crankshaft, rod and main bearings, cam bearings, expansion (freeze) plugs, connecting rods, wrist pins, pistons, piston rings, camshaft, cam tower, lifters, cylinder head, valves and guides, valve springs, rocker arms (cam followers), pushrods, timing chain housing (cover), timing chain and sprockets, timing belt and pulleys, timing belt tensioner, intake and exhaust manifolds, flywheel, balance shafts, harmonic balancer and retainer bolt, crankshaft pulley, valve covers, oil pan, oil pump and pressure relief valve, engine oil cooler hoses, oil filter adapter/housing, engine oil sending unit, engine mounts, water pump, temperature sending unit, thermostat and housing, fuel supply pump, vacuum pump, dipstick and tube, fasteners for the components listed above.
Turbocharged/Supercharged/ Rotary/ Diesel/ Enhanced Engines - All of the above listed parts or equivalent plus: turbocharger, waste gate controller, intercooler, hard lines, compressor, clutch and pulley, bypass valve, injection pump, lines and nozzles.

2. TRANSMISSION - Automatic - Case and all internal lubricated parts including; oil pump, valve body, torque converter, vacuum modulator, governor, main shaft, clutches, bands, drums, gear sets, bearings, bushings, sealing rings, TV cable, solenoids, electronic shift control unit, transmission mounts, cooler, cooler hoses and hard lines, dipstick and tube, fasteners for the components listed above.

Standard - Case and all internal lubricated parts including; main shaft, gear sets, shift forks, synchronizers, bearings, bushings, fasteners for the components listed above.

Transfer Case - (4X4 vehicles) - Case and all internal lubricated parts including; main shaft, gear sets, chain and sprockets, bearings, bushings, mounts, fasteners for the components listed above, electronic and vacuum engagement components.

3. FRONT WHEEL DRIVE - Final drive housing, and all internal parts including; carrier case, gear sets, chain and sprockets, bearings, bushings, axle shafts, universal joints, front hub bearings, rear hub bearings, locking hub assemblies (4X4), drive shaft support, fasteners for the components listed above.

4. REAR WHEEL DRIVE - Drive axle housing, and all internal lubricated parts including; carrier case, gear sets, bearings, bushings, limited slip clutch pack, axle shafts, front hub bearings, rear hub bearings, propeller shafts, universal joints, drive shaft support, fasteners for the components listed above.

5. STEERING - Housing/case and all internal lubricated parts including; rack and pinion equipped valve assembly, sector shaft, rack mounts and cushions, inner rod ends and bellows boots, speed sensor or steering gear equipped pitman shaft and valve assembly, sealing rings, bearings, bushings, pitman arm, center link, tie rods, idler arm, power steering pump and pulley, electric power steering motor, fluid reservoir, pressure and return hoses, cooler and hard lines, power cylinder assembly, steering main and intermediate shafts, coupling, fasteners for the components listed above. (Does not include “rear wheel steering” components.)

6. FRONT SUSPENSION - Upper and lower control arms, bump stop cushions, control arm shafts, torsion bar mounts and bushings, upper and lower ball joints including: dust boots, steering knuckle (spindle), wheel bearings and seals, stabilizer shaft, stabilizer linkage including; mounts and bushings, strut rods and bushings, king pins, fasteners for the components listed above.

7. BRAKES - Master cylinder, assist booster, wheel cylinders, combination valve, disc brake calipers (and rear caliper actuators), hard lines and fittings, backing plates, springs, clips and retainers, self-adjusters, parking brake linkage and cables, fasteners for the components listed above.

8. SEALS AND GASKETS - All seals and gaskets on the assemblies listed above.

9. ELECTRICAL - Alternator, voltage regulator, front and rear windshield wiper motors and delay controller, starter motor and drive, starter solenoid, wiring harnesses, manually operated switches (specifically turn signal, headlight, dimmer, and wiper switches), mechanically actuated switches (ignition, brake light and neutral safety switch), electronic fuel injection system (including all input/sensors & output/control units, except EGR valve, related to the fuel injection system), electronic ignition module, distributor and coil, engine management control unit, knock sensor and oxygen sensor.

10. AIR CONDITIONING - Compressor and mounting brackets, clutch and pulley, condenser, evaporator, orifice tube, POA valve, accumulator, temperature control programmer, high/low pressure cutoff switches, high/low pressure hoses, pressure cycling switch, thermostat, drier, temperature control head, o-ring seals, gaskets, fasteners for the components listed above, and Freon refrigerant if necessary in conjunction with the repair of the components listed above.

GOLD COVERAGE:

GOLD covers ITEMS 1-11 only; parts not listed are not covered.

11. ADDITIONAL PARTS Anti-lock brake system, power seat motor(s) and transmission(s), power window motor(s) and power regulator(s), power door lock actuator(s), digital and analog instrument display(s), low fuel sensor, low coolant sensor, low oil sensor, electronic rear view mirror motor(s), headlight door motor(s), heated back glass, windshield wiper washer pump(s), heater-A/C blower motor, heater core assembly, heater control valve, radiator, radiator fan and clutch, radiator fan motor including fan blade, temperature sensor and relay, fuel tank and hard lines, fuel tank sending unit, power sunroof motor, convertible top motor, constant velocity joints and horn assembly.
**PLATINUM COVERAGE:**
The **PLATINUM** level coverage states “We will remedy any Breakdown of Your Vehicle except items listed under Service Contract Section III; ‘What This Service Contract Does Not Cover.’”

What is Not covered under my Vehicle Service Contract?
-Body structure and parts, aftermarket equipment put on the vehicle, normal maintenance items, normal wear and tear items, abuse, misuse and lack of maintenance.

**MAINTENANCE**
-The owner of the vehicle and the Vehicle Service Contract must maintain their vehicle according to the schedule in their owner’s manual.

**PLEASE SEE YOUR VEHICLE SERVICE CONTRACT FOR ALL TERMS AND CONDITIONS.**
