

New FleetView Dashboards

We are pleased to announce the availability of two dashboards analyzing Depreciation expenses in FleetView: Depreciation Expense and Depreciation – Disposal Detail. These dashboards continue expanding Wheels’ coverage of fleet expenses in our latest reporting tools.

Login today to view the following:

- Depreciation Expense details, including monthly lease (reserve) payments and disposal adjustments
- Identify year-over-year changes in depreciation expenses
- Analyze trends based on vehicle type, vehicle age, and disposal timing

Be sure to check out the Reporting Center for additional dashboards analyzing fleet expenses:

- Maintenance Expense
- Fuel Expense
- Accident & Safety Expense
- Expense Overview
