

Title & Registration Alert - Motor Vehicle Facility Delays

The below information is current through March 2, 2022

Due to the COVID-19 pandemic, select DMVs/MOTs continue to have extended processing times. Wheels continues to work to leverage online capabilities and expedite processing of registrations where possible. More information is available online at our [COVID Resource Center](#).

BOLD ENTRIES INDICATE NEW UPDATES: Jurisdictions not listed are processing at their standard times.

State	Status	Standard Cycle Time	Estimated Extended Cycle Time
CO	Extended Processing	10-15 business days	Processing time is 6 to 8 weeks. Denver counties are processing transactions from the start of 2022. Temp tags are good for 60 days. Additional temp tags can be requested once the initial 60 days has passed.
DC	Extended Processing	26-30 business days	Processing time is 8 to 10 weeks.
DE	Extended Processing	10-25 business days	Wheels is working with our partners at AAMVA to determine the state's plan to address backlogged requests. Wheels will continue to monitor the situation and provide updates as made available.
MS	Extended Processing	61-75 business days	Title processing is taking up to 120 days to complete
PR	Sticker Shortage - Resolved	10-15 business days	The sticker shortage in PR has been resolved. The jurisdiction is issuing stickers with registrations as normal.
TX (Harris County)	Extended Processing	10-15 business days	Harris County continues to operate at only 50% capacity. Annual registration renewals will take two weeks to process. Plate issuance will take 4-5 weeks.

NOTE: All dates are tentative and subject to change with short notice. Standard registration process & turn-around times can be found in the Jurisdiction Profile in FleetView.
